

**THE DMR HEALTH PROMOTION TRAINING SERIES
PRESENTS**

“Falls Prevention in the DMR Population”

Thursday October 23, 2008 10am-1pm

Worcester Public Library, Saxe Room

Or

Wednesday October 29, 2008 10am-1pm

Morse Institute Library, Natick

Lebowitz Meeting Hall, Lower Level

This training will provide an overview of the DMR Falls Prevention Campaign including the scope, causes and complications of falls, the CD *“Falls and People with Intellectual and Developmental Disabilities”* and strategies for preventing falls in people at risk. The training will be offered in a “Train the Trainer” format in order that attendees can return to their programs and present the information to their own staff.

Recommended Attendees:

Training Coordinators, Nurses, Provider Training Staff

**Please register for one of the trainings by contacting
